

COVID-19 SAFETY PLAN – SNAPSHOT

Business name: PHO 90

Date Completed: Jan 12, 2021

Revision date: Sep 13, 2021

Measures we are taking

- 1) Screening: daily screening of workers with Toronto Public Health Staff screening questionnaires. Workers showing symptoms will be sending home to safe-isolation and contact TPH**
- 2) Physical Distancing: for customers (marking on floor) and posters. Capacity for indoor is 21 and patio is 15**
- 3) Use of Masks and Face Coverings: all workers require to wear facemask. We have Facemask Posters posted**
- 4) Personal Protective Equipment (PPE): when serving customers within 2 metres/ 6ft, workers would have to wear surgical facemask and/or face shield**
- 5) Hand sanitizer for customers and workers: many places, including entrance, many places in the dining area, counter, kitchen, washroom. Workers were educated about how to cover their sneezing and coughing**
- 6) Cleaning and Disinfecting of tables, chairs after each use. Regular cleaning and disinfecting of door handles, debit machine, ATM, menu books**
- 7) Controlling and Preventing Crowding: N/A**
